Reference: Committee Address

Dear Ms. Sugerman:

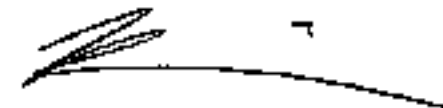

On the Federal Election Commission's web site for the Craig for US Senate campaign committee, the address for the committee is set forth as Post Office Box 2754, 802 West Bannock, Suite LP 301, Boise, Idaho 83701. The street address and suite are, in fact, the former official Boise, Idaho office of Senator Craig. I did not realize that this address was being used by the FEC until we began to experience problems in receiving mail addressed to the campaign committee.

Mail addressed as set forth on the FEC's web site (both mail from the FEC and from third parties) is being delayed or lost since the street address is no longer in use and the Senator's official Boise, Idaho office has moved. That is the reason for this letter to you.

Since I do not believe it is proper for the campaign committee to use the street address of the Senator's official local office and since the campaign committee only has a physical office once every six years during a Senate campaign, the address for Craig for US Senate on the FEC's web site and in any other communications should be changed to Craig for US Senate, Post Office Box 2754, Boise, Idaho 83701. This change should eliminate the problem with the receipt of the mail in the future.

Please call me at (208)336-3572 with any questions or comments.

Sincerely,

Kaye L. O'Riordan
Treasurer
Craig for US Senate
